### Composition:

|                                                                                    |
|------------------------------------------------------------------------------------|
| Aqua                                                                               |
| Pentapotassium triphosphate                                                        |
| 1-Hydroxyethylene-1,1,-diphosphonic acid potassium salt                            |
| C12-14-oxoalcohol polyglycoether, 9EO                                              |
| Sodium cumene sulfonate                                                            |
| Tetrahydro-1,3,4,6-tetrakis(hydroxymethyl)imidazo[4,5-d]imidazole-2,5(1H,3H)-dione |
| Parfum                                                                             |

### Additional information:

|                                                                   |     |
|-------------------------------------------------------------------|-----|
